Updates:

L.A. Zoo/Zoo Magnet Affiliation - Meeting with mayor's office, Magnet Office, LaBonge Office, Greuel's Office, Zoo, etc. to talk to them about the dream school site. We need a 15 years or more lease in order to get a commitment for a permanent structure. Update: We had a meeting that went extremely well, would not commit to a new building - proposing portables. They did like the fact that we would be adding 150 students and reducing overcrowding.

We have another meeting on Friday, Jan. 18, 2008 at 7:30 am.

The drip system is complete and working.
